Committee Meets

4th Tuesday of the month

New Members and Visitors

Very welcome

Photos of a positive memory from the second earthquake.

This plate flew off the wall. I took my broken pieces to Knowles St. A Wellington Recycling Ceramic team had set up a three day workshop. I now have an arty brooch. They also make pendants.

Go to www.smashpalace.net if you would like a momentum of something special. Great gift idea for a keepsake.

Bealey and Arthurs Pass Field Trip

Thanks to all the behind the scenes work the Westport/Greymouth/New Brighton combined clubs trip was fantastic. The weather was great and there were no earthquakes.

Wendy and I left about 8.00 am on Saturday morning and clicked our way past great plains and Alps to arrive at the Bealey at midday. We looked for people with cameras and tripods at Arthur's Pass Cafes but they had all gone bush!

We drove to the viaduct and found a wedding, but no keas. Returning we saw Ann and Paul's car so that made us walk to find an amazing rocky river. We didn't find them though.

Later everyone gathered in the evening for dinner and drinks at the Bealey Hotel. The lodge and motel guests all got together for a happy evening in the lounge/dining area.

Next day was "fungi" morning. I have never seen so many fungi varieties!

Lunchtime saw our photographers, tourists, and locals eating, drinking, and fending off, or photographing the cheeky Keas. The best thing was one Kea snatched a whole packet of pineapple chunks and flew under a car and split open the pack.

What an amazing weekend it was, which will be revealed as you see our landscapes, people, flora and fauna photos in up coming competitions.

Articles and photos by Margaret Maitland

AGM & Supper

Because of the earthquakes on 13th June the AGM was held on 21 June 2011. Instead of the usual pot luck dinner preceding the AGM it was decided to have a supper afterwards so that people could get home reasonably early.

It was pleasing to see there was a very good turn out on the night.

Darron Jayett did not stand for committee this year, and will not be continuing with being the competition secretary. I would like to thank him for the hard work he has done during his time as competition secretary.

Your committee members this year are:

President	Rondi Teisen
Vice President	Phyllis Seymour
Treasurer	Anique Holm
Secretary	Jo Aldridge
Competition Secretary	Ann Barbour
Digital Competition Secretary	John Stewart
Lester Parkes	Peter Seymour
Paul Cameron-Daniels	Margaret Maitland
Tracey Kidd	Carolyn Collins

Club Rooms and Competitions

It has been a very difficult start to the year, with our club rooms out of action for a large part of the first half. This has meant that there has been some changes to our program, including the cancellation of one of our competitions, and some field trips. This issue covers the two competitions that have been judged up to May 2011.

The committee is hopeful that most of the disruptions have now come to an end and that we will be able to follow our planned program from this point on.

Field Trip

It was pleasing to see the number of people who went on the Bealey trip. Unfortunately I was unable to go, but I have been told it was very successful and people thoroughly enjoyed the experience. Read Margaret's article about the trip on page 10.

More trips are planned for the future.
