## SOME HIGHLIGHTS OF 2013

We also had a big move after 12 years from our old club rooms, Masonic Lodge on Collingwood Street to Ascot Ave.

NBPC enjoyed a good year on the Regional and National stage with Katrina Michie winning the champion image several times with her image of the cat with the mouse "Gotcha", Andy Rae's top image of the Orange Fungi in the RPS / NBPC competition. We also came in second to Christchurch PS twice in the Southern Regional and the Battle of Projected Images.

We were well represented in the individual outside competitions with John Hoebe receiving a Bronze Medal in NATEX, along with Doris Tutty, and Katrina Michie received Honours, Geoff and Owen Tutty, Wendy Gibbs and Rosemary Simpson received Acceptances, and also did well in the Southern Regional.

*The Buller / NBPC* Annual Coast meets Coast event is proving to be very popular and it is the turn of the Buller club to organise next year's trip away.

### *A Grade project*

This has been introduced as a challenge for the A Graders.

To be eligible for this A graders will be required to enter **Five Internal Monthly Competitions** throughout the year. Two of them must be set subjects of the four that have already been set by the committee for the year, and as an added challenge a set of eight images that hang together or tell a story.

### *Competition Secretary*

Guy Wright is taking over as Competition Secretary 2014

He will be accepting all your prints by the deadline date and recording all your points. If you receive awards in outside competitions please let him know so as he can award you the extra points. If you have any questions regarding points received etc please contact Guy as he will have all the answers.

He will also be requesting images for prints for outside competitions that the club enters from time to time so please keep your image that was entered in the competition available for selection.

### *Digital Competition Secretary*

Lester Parkes is still the man you send your digital images to.
