

NOTICES

SOLAR ECLIPSE - 14 November 2012

There will be a total solar eclipse of the sun on 14 November around 10:30 am. The best place to see it is Cairns, Auckland will see 80% of it and ChCh 60%, so we should get a good view of it as well.

Murray Cave gave us a very interesting and enjoyable presentation on his trip to Borneo and showed us some of his lovely images of New Zealand birds.

Field Trips

17th July

12 of our members met at Photo Warehouse for the working with light workshop under the guidance of Tracey Kidd and Mark Donovan. Sam, their new employee was happy to be the model for the night, and our own Scott and Marilyn also made lovely models.
Drinks and nibbles were a welcome addition to the night.

21st July

13 members spent an afternoon exploring the beautiful Swan Lake at Ernlea Terrace. Many photos later they all met up in the lovely warm conservatory for coffee and food, after which they were able to look through the house and gardens.
A very enjoyable time was had by all.
